Bulldogs celebrate Championship victory over Sunnwood.

13-0 Victors Over Stanwood . . .

Scoreboard tells the story after Bulldog triumph.

It's often been said that a successful football season sets the pace for a successful school year. If that is the case, the evening of November 24, 1973 gave students at Ellensburg High School every right to expect one of the most successful school years ever.

That evening, on the rain-soaked artificial turf of Burien's Highline Stadium, the Ellensburg Bulldogs captured the first-ever state "AA" football championship of Washington with a 13-0 victory over the Stanwood Spartans.

The victory was far from the most lop-sided in the Bulldog's spotless 12-0 record, but it had to be the sweetest, as the 'Dogs made liars out of practically every sportswriter in the state of Washington.

After the graduation of such star athletes as Dan Kelleher, Kevin McAfee, and Les Wyatt, nobody seemed to think the Bulldogs had enought left to win the toughest "AA" football league in the state. Pre-season predictions by various sportswriters ranged from a low of sixth place to a high of third place in the Mid-Valley League.

Then, in the third game of the season, the Bulldogs knocked off the number one Sunnyside Grizzlies to gain the inside track to a post-season play-off spot. Still the skeptics didn't believe. Wait till these kids play Wapato, they said, they'll show those Ellensburg midgets how to play football.

That might have been true in the hearts of the sportswriters, but in the hearts of the student body, nobody could ever be #1 but their Bulldogs, and they showed their faith by showing up enmasse to rowdy-root their team to an overwhelming 45-21 victory over the Wolfpack, on the coldest night of the season.

From there, the going got tough, but in the words of an old philosopher, "when the going gets tough, the tough get going." The 'Dogs proved that old sage right, as they swept through Omak, Sunnyside, and finally Stanwood to bring the crown to its rightful resting place.

Congratulations to Coach Bennett and the squad. Nobody can ever take this away from them, and as they grow old, they will always have something that is uniquely theirs to treasure.

The team with the "160 lb." line that nobody liked, were the first official class "AA" champions that the state of Washington had ever seen.

Bullpups 2-5-1 on Season

The Junior Varsity Football team ran into some tough opposition early in the season losing close games to Hanford and Kittitas. The Bullpups evened their record in the following two games, crushing Sunnyside 36-6, and winning a thriller from Carroll 14-12. The Bullpups then ran into trouble losing their next three games while gaining a respectable tie in the season final.

Freshman Football Team Wins League Title

In only the third season since moving up from the Junior High School, the Freshman Football Team won the League Title. Coached by Mr. Clayton Evans the team made a believer out of everybody. While losing practice games to Toppenish and Wapato, the team came back to beat both in regular season action. The team proved capable of winning, and will surely be a on top in seasons to come.

Andreotti Field Dedication

The Fall of 1973 saw the naming of the EHS field and track facilities after long-time Coach and Athletic Director, Archer Andreotti. The field was dedicated during halftime of the final league football contest against Wapato. Students, athletes, and community members participated in the ceremonies which included the presentation of a plague and a trophy to the Andreotti family.

Senior Mark Ludtka, who initiated the project, presented awards to Mr. Andreotti and School Board member Mr. Robert Fraser said a few words in praise of our school's loved coach, teacher, and friend.

Bulldogs Finish Season Strong

One of the marks of a true champion is the ability to overcome adversity. If that is a legitimate yardstick by which to measure success, then the 1973-74 edition of the Ellenburg High School varsity basketball team was truly a success.

The Pat Martin-coached cagers started the season on a down note, as those members of the team who also turned out for football were forced to miss the first four weeks of turnout due to state tournament play by the football squad. From there, the problems multiplied. The first game of the season was against Ike on December 1st; only three days after starters Jeff Hocker, Kirk Honckle, Scott Carpenter, Roger Jeske, Herb Jones, and Scott Greenwood began turning out.

With these starters out for the first several games, it took almost half the season for the Bulldogs to establish a regular starting lineup.

Just when the 'Dogs began to jell and play competitive Mid-Valley League basketball, they were hit by more problems. First, the school was hit by a flu-bug so severe that at times the number of varsity players as low as eight.

When the squad got back together, however, they really came on. After losing their first four conference games, the varsity came on to finish the year in third place with a respectable conference record of 8-8. As district rolled around, the 'dogs were just beginning to realize the potential their vast talent promised.

A district loss to Wapato gave Ellensburg the third place trophy and made all the EHS fans proud to be represented by such a group of competitive, battling athletes.

Winter Assemblies Are

Winter Assemblies

With the coming of snow and teacher patroled parking lots, there was nothing to do but go inside and enjoy the fun (?). Just before Christmas, Santa came to E.H.S., and gave out worthy presents to faculty and students. A spin-off of a popular children's show was done and athletes were shown as they are.

The Cheerleaders got together and presented their observations on how people act at football games. They didn't fool anyone.

All in all, the winter assemblies were designed for the child at heart and the total illiterate. But what else can you do when it's snowing.

BELOW: A scene from Uncle Jimmie's Club House. RIGHT: The Rally Squad, performs their analysis of "At the Game". BELOW RIGHT: Jon Bodin and "Santa" give out presents to the school.
BOTTOM RIGHT: Miss Klobucher looks guilty as she sits on Santa's lap. Has she been a good girl?

Cool, Damp Ellensburg Weather

Gives 1974 Graduation an Unusual Touch

Instead of the usual sweltering heat, Ellensburg residents were treated to a real "cool" graduation this year. Unseasonal rains, accompanied by low temperatures failed to dampen the spirit of this year's graduates.. June 4 was indeed a big day for the seniors as they moved through the ceremony with all the usual pomp and circumstance and firecrackers.

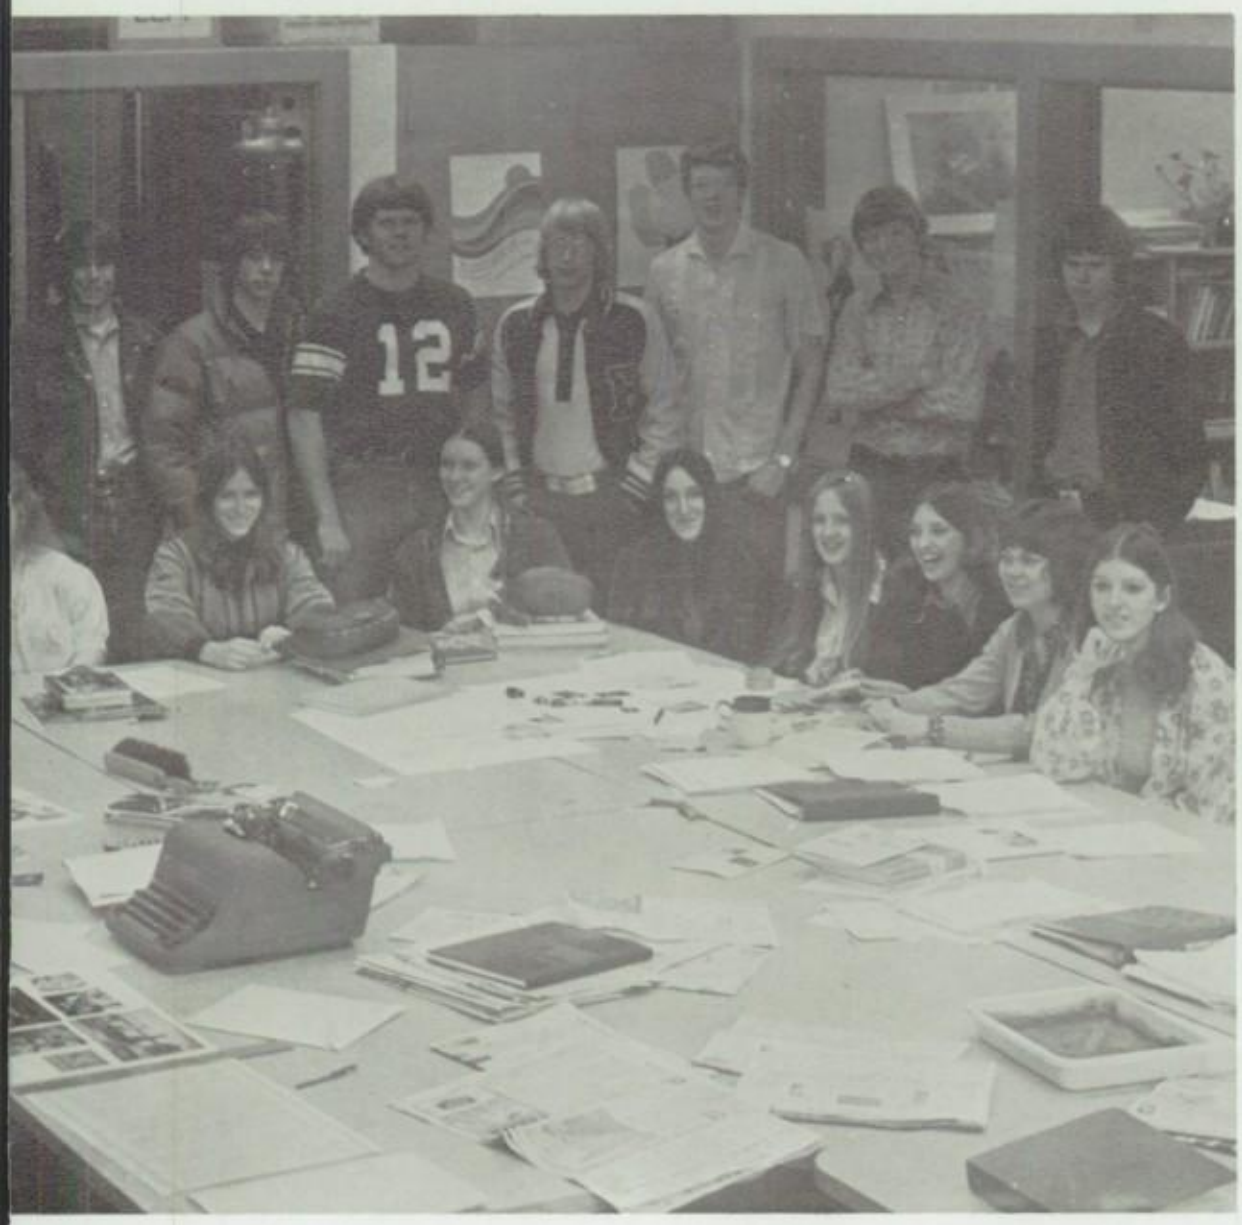
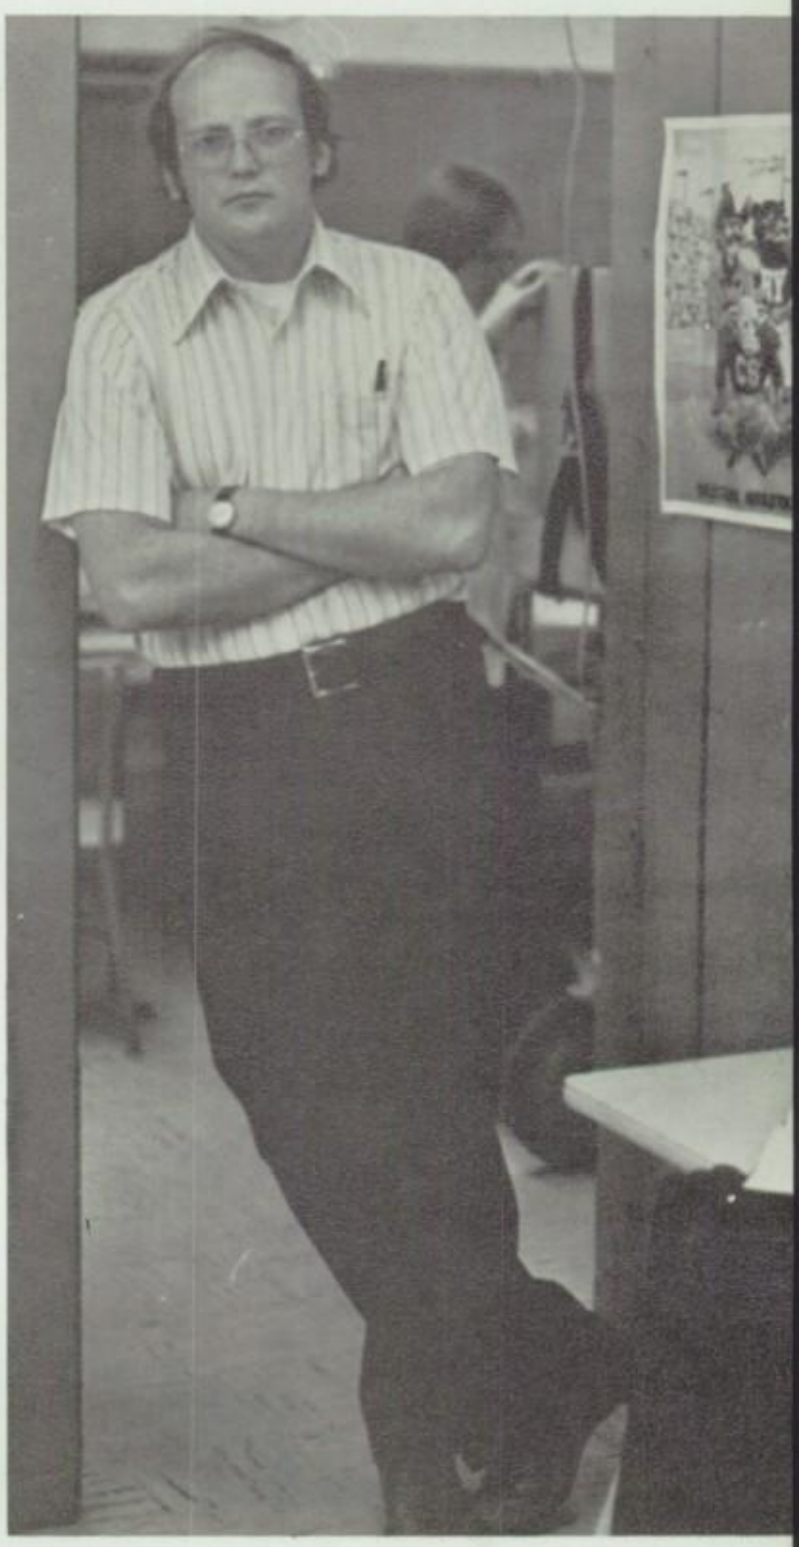
Klahiam Staff

It was a rough year for yearbooks at Ellensburg High School. With a rookie advisor and inexperienced staff the end product seemed forever out of reach. Life became one time-consuming error after another for this hardy band of workers but, somehow, the project was completed at 11:14 a.m. June 13, 1974.

RIGHT: This year's Klahiam staff included: SITTING: Sandy Furrow, advisor Steve Rogers, Teresa Wippel, Bev Howell, Patty Keating, Diane Hole, Cathy Davis, Colleen Sorenson, Pam Potter, Peggy Powell, Roberta Brotherton, and Becky Bloom. STANDING: Al Chrismer, Forrest Cross, Phil Kern, Clif Jones, Jeff Hammermeister, Greg Pugh, Lance Williamson, Dave Cooper and Jim Griffin. MISSING is Mark Underwood.





FAR LEFT: Photo Editor Sandy Furrow. CENTER LEFT: Editor Cathy Davis. LEFT: Business Manager Clif Jones. ABOVE: Advisor Steve Rogers expressing his sentiments.

It seems only fitting that the very last page of this publication should include some overdue recognition of the unsung heroes of the 1974 Klahiam. Many non-yearbook staff members played an important role in the production of this mess.

We owe much to Fred Haberland and the gang at Modern Photo. Without their help, the senior color section could not have been completed. Thanks also to John Ludtka and Dick Moody of the Ellensburg Daily Record for their sound advice and aid. American Yearbook representative Ken Werner showed a tremendous amount of patience as he listened to my sad tales of woe throughout the year. (About that deadline, Ken)

A very special thank you goes to Kathy Aly, John Aimone, my wife Denise, and Lance Williamson who spent part of their summer vacation in room 311 finishing the book.

REMEMBER: BUY A KLAHIAM!

School Song - 1924

Oh, here's to the health of the Ellensburg High,
Sing, Boo-la, Boo-la, Boo-la, Boo
We'll sing her praises to the sky,
Sing Boo-la, Boo-la, Boo-la, Boo.
We're hard as nails and tough as rails,
And first in every fight.
So here's to the health of her tonight,
Sing Boo-la, Boo-la, Boo-la Boo.
Osky-wow-wow, Wisky-wee-wee,
Ole-muck-e-i, Ellensburg High,
Washingtonai, Ellensburg High,
Washingtonai, Ellensburg
Rah! Rah!

Osky-wow-wow, Wisky-wee-wee,
Ole-muck-e-i, Ellensburg High!
Washingtonai, Ellensburg High!
Washingtonai, Ellensburg!
